Hi everyone.
Thank you to everyone who bought tickets for our Calcutta and/or attended the night. We raised over $1000 for our school which was absolutely amazing! This will allow us to purchase a chilled/filtered water bubbler. Our lucky winners were:

1st: Jamie Swinnerton       2nd: Hilda Naismith       3rd: Mary Northey

A special thanks to Bruce (our school council president) for his entertaining run down on the horses and auction. Appreciations to Caroline and Lawrence Packer for their organization of the Calcutta process.

We also thank Dave Elder for helping to set up the tables and chairs and clean up, Bert, Michael and Glenn for their great work on the night and to everyone for helping pack up at the end.

We were very lucky to have kind donations of wine from Wirruna Wines (Sammy’s grandparents - Sandra and John) Thank you!

Tomorrow will have a short assembly for Remembrance Day at 10.45am. Poppies will also be sold tomorrow for $2 with all money being returned to the RSL.

As mentioned last week, we have had a number of apologies to our working bee and are concerned that we may not have many people able to attend. If you do plan on coming to our working bee on the 23rd November please return the slip attached if you haven’t already done so by this Wednesday. We will then see if we need to reschedule the planned working bee.

You will have noticed that the whipper snipping was done over the weekend—thanks so much Sheri and Tommy!

Our school flag vanished two weeks ago. While we were lucky to receive a replacement flag, we would still like to find out what happened to the original flag. If you have information regarding this, please contact the school.

Please remember the date for our school concert which will be held on Wednesday 17th December.

BANK DAY ON WEDNESDAY AND NO HOT FOOD FOR THIS FRIDAY ONLY.

Cheers
Tying of the Ribbons—Peace Ceremony today!
WORKING BEE JOB LIST

Over the next few weeks this list will grow as we organise tasks to be completed on Sunday 23rd of November from 9-11 am. Many hands make light work and we want to take some of the pressure off those parents who always come along to every single working bee we hold.

WORKING BEE JOBS:

- Remove and replace the barge boards (eaten by white ants). If anyone has time to come in prior and remove a selection of boards to double check that the termites haven’t come back that would be fantastic.
- Placement of our mosaics
- Whipper snipping (please bring whipper snippers)
- Blowing leaves etc off the deck/concrete

Yes—we are coming along to the working bee on the 23rd November 2014
