## From the Principal's Pen:

Well, the last week of term! As I look back on the term, I am amazed at the amount of opportunities and experiences our students have enjoyed as a way of enhancing our delivery of the Curriculum – Student Leadership Day, Shrek the Musical, Cluster STEM Day, NERSSA Cross Country, Simultaneous Storytime and now this week we finish with a Shadow Puppet Presentation and Workshop by 'A Blanck Canvas' Performance Company, a drawing with charcoal workshop by a visiting artist AND 3/4 Camp!

As I write this, 3/4 students are enjoying camp at the Outdoor School at 15 Mile Creek Greta. The program includes bush walks, hut building, campfires and damper cooking, orienteering, flying fox, bike riding and more! Camp experiences are such a valued part of our annual calendar – they provide the opportunity for students and teachers to challenge themselves to try new things side-by-side, to push out of comfort zones and build resilience and persistence, to develop or strengthen friendships with Cluster friends and in the case of the 3/4 camp, an opportunity to connect with the environment and develop a greater understanding of why we need to respect it.

At assembly this week, we farewelled Kaitlin from OSHC as this service will cease at the end of this week. Thank you Kaitlin for your energy and enthusiasm for this role, we wish you all the best as you move on to your next adventure.

I hope all of our students, families and staff enjoy a well deserved break over the holidays. An opportunity to slow down, recharge and get ready for Term 3! We will hit the ground running with students from Millewa participating in the Winter School Sports Carnival in Week 1 (please see uEducateUs for relevant permission notes). The Winter Sports Carnival is an opportunity for students from myriad of schools across our area to come together and compete against each other in a friendly carnival. We have combined with Talgarno and will have students participating in AFL football (Wodonga Showgrounds), netball (Kelly Park) and Minkey (Wodonga Hockey Fields). Although students travel to these events on the bus, we welcome families to drop in to any of the venues to see their children competing – each sport is run as a round robin event so all students will play in multiple games throughout the day (if draws are available prior to the day, I will share these with families).

Regards, Rach Saunders
